The spaces

A high-ceilinged living room that floods the interior with natural light throughout the day. Three expansive bedrooms, the two main ones with their own wardrobes and one of them with an en-suite bathroom. A fully equipped kitchen, a dedicated walk-in closet, smart storage solutions and one parking space for exclusive use.

This architectural floor plan shows a building layout with a parking lot and landscaping. The building has a central staircase and several rooms. The parking lot is located to the left of the building, with four cars parked. The building has a central staircase and several rooms. The plan includes dimensions for rooms and parking spaces, as well as landscaping elements like trees and shrubs. A red dashed line indicates a boundary or path. The plan is labeled with 'Πομπή Περβαλλοντος & Ενέργειας' (Environmental and Energy Audit) and 'Α' (Alpha).

All images are 3D renders and are indicative only. Equipment, materials and landscaping may differ.
